PROPOSALS.

1. SUPER- MODIFIED MOTORS.

I propose that rule 8B.1 be changed to read. "The displacement of the Powerhead shall not be more than 210 cc plus 20/1000" overbore."

Proposed by Peter Bevan and seconded by David Snooks.

2. FUELS, FUEL LINES AND FUEL TANKS.

I propose the following change to the Power Dinghy Specifications to insert Rule 6.5 to read. "Nitrous Oxide may not be used in any form and shall not be carried in the craft."

Proposed by Brad Pitcher and seconded by Craig Walker.

These two proposals will be voted on at the March General Meeting.

RULES COMMITTEE RULINGS.

A ruling was made to cover the proposal on Nitrous Oxide.

It is as follows:-

1. Fuel must pass through the carburetor jet(s).
2. Fuel may not be injected into the carburetor.
3. Motors must be naturally aspirated.

NEWSLETTERS.

If anyone has a bit of spare time once a month to help with folding and stamping etc. of the Newsletters could they please ring Erica Palmer on 457 9935.

This years cup will be held on Sunday March 26th, Easter long weekend.
