Cheques to Moore River Sprint. A.P.D.R.A.
6. The competition is a closed event, open to Financial Members only, ie; 1989-90 Association Membership fee's must be paid.

AVON REPORT.

Entry forms for the AVON should be sent in A.S.A.P., to register your boat race No. Volunteers are needed to help erect a fence around the pit area at Cobblers Pool. (Should be interesting.) A date for the erection has yet to be confirmed, but we will let you know when & where the convoy is leaving. The fence has been supplied by the Northam Decent Committee. Rescue boat for the AVON also needs volunteers, contact David Dodd for details.

RULES PROPOSAL.

Power Dinghy Specifications.
Section 7.3 Safety Rope.

Proposed by Peter Street.
Seconded by Paul Tregurtha.

I propose that section 7.3 be changed from ;

Each craft entering in a competition shall have a minimum of one thirty (30) metre length of nylon or poly rope of diameter not less than eight (8) mm, that shall be securley attached to the craft.

TO READ ;

Each craft entering in a competetion shall have a minimum of one ten (10) metre length of nylon or poly rope of diameter not less than eight (8) mm, that shall be seculey attached to the craft.
