

CLASSIC 250 - 2023

SUP REG UPDATE

23rd, 24th & 25th of September 2022

Race Director: Kris Parnell and PDRC Committee

Race Registration

Early Registrations will open from Friday 21st at 4pm, see Mahony at her Campsite (Nannup caravan park).

Early registrations close at 6pm, If you would like to register after 6pm on Friday, please message Mahony directly and arrange an appointment time.

Saturday Registrations at BRIDGETOWN start line open from 7.15am to 8.00am.

At least one member of each team must register before 8.00 am on Saturday 23th of September 2022.

PRE RACE SCRUTINEERING

To maintain the highest standard of safety, design, equipment and fittings necessary for power dinghy racing the requirement of the specifications will be strictly enforced.

PRE RACE SCRUTINEERING TIME CHANGE

Pre-race scrutineering will now be at Bridgetown start line Saturday 23rd from 7:00am till 8:30am, if you can not make that time for any reason - please message Brett or Kris direct.

To assist with ease of Pre Race Scrutineering please present your craft in start line condition and have helmets, wetsuits, boots and survival kit layed out, ready for inspection, inside of the boat.

- Fuel tanks must be restrained, motors ready to start with lanyards attached.
- Remember - no rear facing sharp items e.g. jack handles, (these must be capped).
- Props for Standard and Super Standard class will be check Pre and Post Race.

Carburettors will also be marked

The PDRC Competition Rules and Specifications can be easily found at www.dinghyracing.com.au

If you are unclear about anything please contact Brett Vagg on 0416 670 003 for clarification before you take you craft to Bridgetown or hit up one of you friendly committee members on practice day at the Burswood Clubrooms to make sure that you are 100% ready to go.

Survival Kit Reminder

835 SURVIVAL KIT

If stated in the supplementary regulations each craft entered in an event shall have a survival kit that shall include not less than 400g of high calorific value food (e.g. glucose, chocolate, nuts etc.) and a box of waterproof matches and / or cigarette lighter, one compression bandage, one bandage, 30mls of saline solution (in date), all in one waterproof container.
